Dear Parent/Carer/Student

Re. The General Data Protection Regulation 2018

As you may already know, on 25th May 2018 the General Data Protection Regulation (GDPR) will come into force. This will replace the Data Protection Act 1998 and is intended to improve the safety and security of personal data held by organisations, and make sure that people understand what information is held about them and why.

We have always taken great care of the personal information we hold about pupils and parents, but the new law means that we are taking some further steps, and we want to tell you about these.

1. Firstly, you should be aware that you have a number of rights under the GDPR. You have the right to:
 - Be informed about how we use your personal data.
 - Request access to the personal data that we hold.
 - Request that your personal data is amended if it is inaccurate or incomplete.
 - Ask us to erase your personal data if there is no compelling reason for its continued processing.
 - Request that the processing of your data is restricted.
 - Object to your personal data being processed.
2. On our website www.aylesfordschool.org.uk you will find our new privacy notice for pupils and parents on the 'Key Documents' drop down menu, which explains in detail what personal data we hold, why we hold it and who we share it with. This also provides details of our Data Protection Officer (DPO) who can provide advice on data protection obligations and can be contacted if you wish to make a request or complain about your personal data. The privacy notice also explains about your rights to complain to the Information Commissioner's Office.
3. We are reviewing our policies and procedures. New and revised policies will be published on the school's website, which can be accessed at www.aylesfordschool.org.uk.
4. If anyone's personal data is likely to be significantly involved or affected when we develop new systems or introduce new technology, we will carry out a data protection impact assessment to ensure that privacy issues are addressed.

Headteacher: Steven Hall BSc MA

5. We have made some changes to our data collection and some forms have been revised to bring them in line with the new law. This means that we will be asking you to consent to things again. Thank you for your anticipated help in this. Please be assured that our data gathering and storage is for the efficient running of the educational process and not for any other reason.

If you would like any more information about GDPR, you can visit the Information Commissioner's website and in particular the [Guide to the General Data Protection Regulation](#) webpage.

Yours faithfully,

Steve Hall
