Dear Parents and Carers

The safety of our children is paramount at Aylesford School. We have security gates installed on site to ensure that any unwanted visitors are not able to access the site and also that children are safe next to the roadside areas of the school.

Please can you ensure that your children do not attempt to press the security buzzers on the gate until you are with them. This will ensure that the gates are not opened without Parental supervision and your children are unable to access the road.

Your co-operation in this matter is very much appreciated.

Yours faithfully
