Dear Parents/Carers

RE: Staggered return dates for Spring Term

As you may have seen in the news, schools have now been directed by the Department for Education to create a staggered start to the Spring term in January; Our Year 11 and Year 13 can attend school from Monday 11th January. Year 7,8,9,10 and Year 12 students will return to school on Monday 18th January. All students will have work set for them on show my homework from Tuesday 5th January, please let your child know that they are to log in to show my homework each day to access the work.

If you are a critical worker or your child is vulnerable, and you require your child to come into school from Tuesday 5th January then please complete the form using the link below. This will enable us to organise year group bubbles to be supervised when in school so they can access their lessons via show my homework.

Year 7,8,9,10 & 12 need to access their schoolwork on Show My Homework. The work will be set following the normal school timetable. There may also be some lessons taking place via zoom, the zoom links can be accessed on Show My Homework where applicable.

Year 11 & Year 13 mocks will be delayed until Monday 11th January. School work and revision will be available on show my homework and teaching staff will be available on zoom following the normal school timetable.

Best Wishes
