Dear Parents/Carers,

As I'm sure you are aware, this evening Boris Johnson has announced a National Lockdown in response to the rapidly rising Corona Virus cases across the country. Unfortunately this means that school will remain open **only** for Vulnerable children and the children of Key (Critical) Workers. All other children will be required to learn remotely until at least February Half Term. Please refer to the school website to access the children's Home Learning. This will be reviewed and updated in due course, ensuring equal entitlement to those learning from home and those who remain in school.

Please also visit the 'Covid-19 Updates' area of the website where you will be able to complete a survey, indicating whether you feel your child falls into the Key Worker/Vulnerable group and/or review the link below. Provision is available to children of Critical Workers where this is necessary.

I would like to take this opportunity to thank you in advance for your ongoing support during this very difficult time. I will keep you updated with any changes as soon as I am able to.

In the meantime, take care and stay safe,

**Mrs Angelique Edkins**

*Director of Primary Education*
