

Do you see yourself as the next Shakespeare?

2021 poetry competition with Leycester House

Warwick based care home, **Leycester House**, has joined healthcare charity, **Kissing it Better**, in a mission to help residents who are currently missing their families. Combining this mission with **World Poetry Day**, we are inviting schools across Warwickshire to take part in a poetry competition. Entries will be judged by the residents of Leycester House and 6 winners will be invited to read their poem to our residents over Zoom.

The theme for the competition is “**What happiness means to me.**” We’re looking for creativity and originality and the winners will be crowned with a certificate of Creative Thoughtfulness.

Entries can be submitted to caty@kibmail.co.uk

Deadline for entries, March 8th 2021
