Dear Parents and Carers

Census 2021 - Let's Count!

The census is a survey that gives us a picture of all the people and households in England and Wales. It is unique and only happens once every 10 years. The next census is taking place on Sunday 21 March 2021.

To mark this important event, we will be holding a 'Let's Count Day' on **Thursday 18th March**. Children will be taking part in counting activities and investigations during the day, and they are invited to dress according to the theme of counting. You will probably have things at home that can be used. Some ideas are as follows:

- A football shirt that has a number on the back
- An age badge from a birthday card
- A number cut out of paper attached to a t-shirt
- Clothing decorated in spots or objects that could be counted
- Wear black and white and dress as a domino

Pupils will be given a leaflet about the census. In support of our 'Let's Count Day', please encourage your child to count things, perhaps on the walk to school or in the local area. Counting could be on any subject that they choose. I would be delighted to see drawings or photos of your child's counting, which can be emailed to me at eagle@aylesfordschool.org.uk.

Thank you for your support.

Yours faithfully

Mrs Spencer
