Dear Parents/Carers,

Photographers

On 6th and 7th May, we will be welcoming a team of photographers in who will be photographing children across the school for our new prospectus. Please ensure that children are in the correct, full school uniform. If it is their PE day, please ensure that the school PE kit is worn.

Individual School Photographs

Please note that the deadline for any sibling photograph requests is May 7th. These photographs will be taken on May 20th. Year 5 will still have their PE lesson during the afternoon but are requested to come in full school uniform for the morning. Please send PE kits in so that the children can change in readiness for this.

Reading Books

Please can you ensure your child has their reading book and diary in school each day. It is important that any time they read with you at home that you record it in their diary and we can then see this in school.

Can I also take this opportunity to ask you to look for any school library books at home and return these to us.

Active April

Thank you all for your participation in the sponsored skipping challenge and raising money for the charity Molly Oly's Wishes. Just a reminder that Tuesday 4th May is when all sponsorship forms and monies should be brought into school.

Forgotten Items

Please may we request that, to continue to reduce footfall and possible routes of infection, you ensure your children are arriving at school with everything that they need for the school day, reducing the need to drop off forgotten items. We are trying to keep movement around school to a minimum and your co-operation in this matter is greatly appreciated.

Have a wonderful bank holiday weekend.

Best wishes,
Mrs Edkins

Diary Dates

Date	Event	Time
